TENURE TRACK FACULTY POSITION
DEPARTMENT OF PHYSIOLOGY AT UCLA
(CARDIOVASCULAR SCIENCE)

Assistant or Associate Professor

The Department of Physiology in the David Geffen School of Medicine at UCLA invites applications for a tenure track faculty position, preferably at the level of Assistant or Associate Professor.

We are especially interested in candidates with a research focus combining hypothesis-driven and discovery-driven approaches to address cardiovascular physiology and/or pathophysiology. Candidates must have a Ph.D., M.D. or equivalent and are expected to have a strong background in molecular, cellular and/or systems biology including computational approaches and a demonstrated interest in addressing fundamental physiological questions.

The successful candidate will be expected to develop an independent, NIH-funded research program and to participate in the highly collaborative research programs in Physiology and the cardiovascular community at UCLA. S/he will also be a member of the UCLA Cardiovascular Research Laboratory and actively participate in the teaching mission of the Department of Physiology.

Interested candidates should apply on line at UC Recruit: https://recruit.apo.ucla.edu/apply/JPF01244
